Professional expertise

Intellectual property rights, data compliance

Personal Profile

Mr. LI Xiao graduated from the School of Law, Jilin University with a degree of master in law. He used to work at three top ranking intellectual property companies in China, namely, Sanyou, Chofn IP, and China Trademark & Patent Law Office Co., Ltd., mainly engaging in safeguarding intellectual property rights, data compliance, and civil and commercial disputes.

Mr. LI Xiao represented many well-known Chinese and foreign companies in safeguarding their intellectual property rights, including Alibaba Group, Honda China, Krautzberger of Germany, JP Morgan, Wuliangye, Roadstar Management Co., Ltd. of Switzerland, Condé Nast Publications Inc. of France, People' s Liberation Army Armored Force Academy, Publishing House of Electronics Industry, etc. The "Double 11" series trademark cases handled by Mr. LI ranked top 10 in Weibo Hot Search on November 10 for two consecutive years; in these cases, one court trial was broadcasted live in Society and Law of CCTV 12, one court trial was conducted under the witness of various media and several deputies to the National People' s Congress, and another court trial was used as a training model for apprentice lawyers.

Moreover, thanks to his efforts for foreign related business, Mr. LI Xiao is competent in written and oral business English. He made an English speech entitled Use of Consumer Investigated Evidence in China as the representative of Chinese lawyers at the Asian Branch of AIPPI in 2019.
