Practice Experience

Mr. LIU Weihe has profound knowledge in legal theory and rich experience in legal practices. He has instructed the team to handle nearly 10,000 civil and commercial cases. With rich experience in non-litigation legal services, he has instructed the team to provide legal advisory services for tens of enterprises and provide project investigation services for major insurance companies. Mr. LIU has built rich litigation and arbitration experience from hundreds of litigation cases he handled at courts at various levels throughout China; moreover, being familiar with procedural rules for litigation and execution, he has handled over a hundred arbitration cases at China International Economic and Trade Arbitration Commission, Beijing Arbitration Commission, Shanghai International Economic and Trade Arbitration Commission, and other arbitration institution. With accurate understanding of customers' needs, he provided customers with practical solutions in litigation, arbitration, and execution to maximize the benefits of customers.

Mr. LIU Weihe also made use of his rich experience in corporate credit legal services to conduct open classes or onboarding training for corporate legal, credit control, and financial management personnel from nearly a thousand enterprises, which were highly praised by all participants.
