Dispute resolution

Personal Profile

As an on-the-job postgraduate of China University of Political Science and Law, Mr. GAO started his practicing career in 2016. He has built years of experience in solving complicated disputes by representing customers in civil and commercial litigation and arbitration cases before various local courts and arbitration institutions. For a long period of time, Mr. GAO provided services for China Guangfa Bank Limited, BCEG No. 6 Construction Engineering Co., Ltd., Beijing Leader Harvest Electric Technologies Co., Ltd., CITIC Qingdao Asset Management Co., Ltd., Thermo Fisher Scientific (China) Co., Ltd., PICC Property and Casualty Company Limited Tianjin Branch, and Jingwei Textile Machinery Co., Ltd. Meanwhile, he also provided legal services for many cross-border companies, state-owned enterprises, and private enterprises concerning their investment, routine operation, and compliance matters, especially in solving legal problems in the manufacturing, technology, telecommunication, and architectural design industries.

Representative performance

The representative cases include: Represented X Bank Co., Ltd. in the case of dispute over a financial borrowing agreement for the amount of over RMB 50 million. Issued legal opinions on compliance for X Qingdao Assets Management Co., Ltd. Represented X Property Insurance Co., Ltd. Tianjin Branch to handle a large number of insurance disputes. Represented X Construction Group Co., Ltd. in multiple cases of dispute over construction project for the amount of over RMB 40 million.
